Dear Rush:

On behalf of the United States House of Representatives Committee on House Administration and the United States Senate Committee on Rules and Administration, we would like to invite you to speak at the 2007 Summer Intern Lecture Series.

The Summer Intern Lecture Series is held for college students and recent graduates who work as Congressional interns in the Capitol Hill offices during the summer months. It provides an educational opportunity for interns to hear prominent members of government speak about their personal experiences in public service as well as important issues facing our nation and the world today. The Series runs from June 6, 2007 through August 11, 2007.

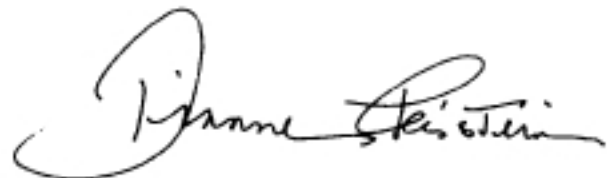

We look forward to including you in this summer's Series. Please contact Katherine Rea in the Senate Rules Committee at [REDACTED] or Robert Henline in the House Administration Committee at [REDACTED] for more information or to schedule a date and time for your participation.

Thank you for your kind consideration of this invitation.

Sincerely yours,
